

ADULT AND PEDIATRIC DERMATOLOGY FINANCIAL POLICY

1. Direct Pay Practice We are a direct pay practice and do NOT participate with ANY insurance or government healthcare program. Patients pay for their care at the time of service.
2. Payment Payment in full is required for all services before you leave our office. Cash, checks, all major credit cards, and Care Credit are accepted. For your convenience, we offer the option to keep a credit card or electronic check on file. If you are interested, please inquire at your visit.
3. Fees All office visits are based on time spent with the provider. Patients will be given an estimate of charges and be notified of any additional charges prior to extending the visit or procedures.
4. Out of Network Adult and Pediatric Dermatology and/or providers are considered as OUT OF NETWORK for ALL insurance plans. The practice and providers are not contracted with any government or commercial insurance plan. This includes Medicare, Medicaid, Medigap, Tricare, and all commercial primary, secondary and/or tertiary insurance plans.
5. Out of Network Coverage Your Insurance company may reimburse you for out-of-network coverage, depending on your specific insurance. If you would like to file for reimbursement, you will receive a statement of services. Please note that it is your responsibility to understand your plan's out of network coverage. We cannot make any guarantees regarding whether you will be reimbursed by your insurance plan. If you have questions, you should speak directly with your insurance company or benefits manager.
6. FSA/HSA Services provided to you at our office are eligible for payment via Flexible Spending Accounts (FSAs) or Health Savings Accounts (HSAs). You will need to check with your plan prior to your appointment. If your FSA/HSA balance does not pay for all charges, another form of payment is required.
7. Labs If you need any biopsy tests or lab work done, it will be done by an outside lab and you will receive a separate bill from that lab. If you have insurance, you may choose to have these services billed to your insurance. We have negotiated discounted pathology fees with preferred labs for our self-pay patients.
8. Medicare If you are enrolled in Medicare, Medicare requires that you sign a one-page private contract with your provider indicating that you have been informed that medical services will not be covered. This applies both to traditional Medicare as well as Medicare Advantage plans. Please note that any prescriptions or tests ordered will still be covered by Medicare.
9. Legal Any legal documents for Guardianship or Power of Attorney must be presented at the time of service. All legal documents must be original copies. If these documents cannot be provided, you will be asked to reschedule the appointment. This office is NOT a party to any divorce decree.
10. Children All children under 18 years of age must be accompanied by a parent or legal guardian on the first visit and any visit that requires consent for treatment. Payment in full is still required at the time of service.=

We reserve the right to discharge from the practice any patient who does not pay in full at the time of service.
